OUR SERVICES

We offer a wide range of services for investigations all over Canada. Whether it is Insurance, Individual, litigation, we have the right team and experts to take out accurate results at minimum time required.

This is why we are one of the leading companies in Mississauga, Toronto and other parts of Canada for our reliable and fast services.

We have detained numerous opportunities that combat our client's interests. Our highly-skilled and certified investigators put their grueling efforts to dig in the facts that actually matter to you. We have built a brand image by our enervated efforts and, unlike amateurs, we strive to maintain it by providing consistent services to our clients. We go way beyond our limits to satisfy our clients and never jeopardize the quality of the services.

INSURANCE INVESTIGATIONS

Our insurance investigators are experienced and well versed in insurance policy and law. They are committed to detecting and eliminating insurance fraud. Insurance fraud is any act made by someone to gain benefits or compensation that they are not entitled to.

FAMILY & CHILD CUSTODY

Are you suspecting your spouse about having an affair with someone? We provide a full-fledged surveillance report to our clients containing pieces of evidence like photos, videos, reports, and other documents to prove the infidelity or innocence of the person.

CORPORATE INVESTIGATIONS

Our corporate investigators are extremely knowledgeable in employment and corporate law and are dedicated to learning individual company policies. We can also assist with high-risk employee dismissals and labor disputes.

CIVIL INVESTIGATIONS

If you are going through a civil trial, then you need the services of civil investigators to descry all the corroborations of legal matters for the lawsuit. Being the best private investigators, we have the skills to scan the details and finding the witness of the incident.

BACKGROUND INVESTIGATIONS

There are many situations where it would be in your best interest to have an investigation done to make sure the person really is who they say they are. You need to have as much confidence as possible that you can trust who you are hiring. Our investigators can help uncover discrepancies.

LITIGATION SERVICES

Facts Investigations offers process serving and court services. We will file court papers, retrieve documents and serve legal documents to defendants or persons that are involved in court cases.

WSIB FRAUD

The most significant risk for employers that cost them money, time, resources, and statutory is Workplace Insurance and Safety (WSIB) claims. We detect the actual reason behind the claim and to identify the fraudulent activities sets up apart from others.

SKIP TRACING

Skip tracing is the process of finding fugitives who don't want to be found by someone at their residential or usual hangout places. We trace and locate the whereabouts of estranged persons while maintaining the secrecy and sanctity of our clients.

ASSETS LOCATION

We have a team of professional and certified investigators to carry out the process with 100% accuracy. Our clients trust us for our integrity, honesty, and accuracy of the collected information. The detailed report of proofs and findings that we provide to our clients is admissible to courts and legal proceedings.

DIVORCE & FAMILY

Loss of trust, partner infidelity, or cheating spouse can shatter a healthy relationship into pieces. Facts Investigations collect the authentic and relevant proofs of infidelity for individuals and families.

INVESTIGATIVE RESEARCH

Investigative research is intended to unveil the secrets, obscure or hidden facts, and information that can build a more elaborated and comprehensive picture of the case under consideration. Our experts have the competence to uncover the required data while maintaining the secrecy and respect of the clients.

SERVICE AREAS

We have solved thousands of cases with dedication and commitment. The results we provide are the most authentic and comply with the client's requirements. We have gained the stature of being among the best private investigators in Toronto, Mississauga, and other localities. Facts Investigations have set the landmark of the best investigation and surveillance service provider.
